## Speak Chinese Today!

- One fifth of the world's population speaks Chinese.
- China is an ancient country with over 5000 years of history and is the home of many beautiful tourist attractions & historical sites.
- There are numerous elementary/middle/high schools that offer Chinese classes. Over 800 colleges offer Chinese as a major.

- Currently, the number of people selecting Chinese is increasing at a higher rate than all other foreign languages in the USA today.
- The Chinese economy has been growing quickly. After China joined the WTO, its market has expanded, and more and more Americans are going to China for their business, travel, study or working.
