

Thornhill Elementary Back to School Donation Drive

Now through September 28th

This year, the Parent Faculty Club (PFC) will spend **an average of \$1,000 per child** to provide programs that are not covered by state or federal funding. The PFC will bridge this gap with the generosity of our Thornhill families.

Our goal is to see 100% of Thornhill families make a donation. Your contribution is a commitment to continuing Thornhill's outstanding education for our children. Your support is critical to providing:

Librarian

PE Teacher

Art

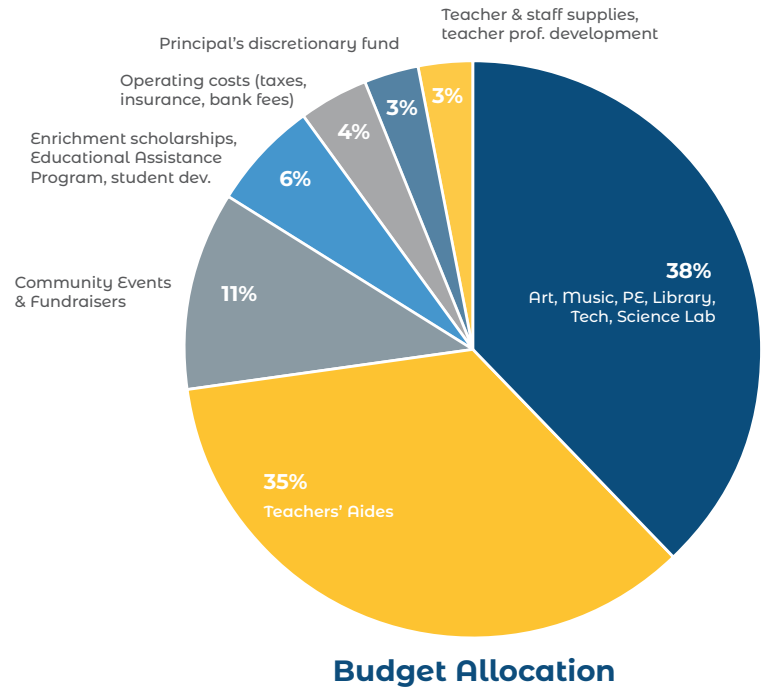

Teacher Aides

Technology

Music
